One Student/ The Ultimate All-Rounder.

THE \$70 BILLION SPECTRUM.

The Indian wedding industry stands as a booming \$70 billion market, growing at an impressive annual rate of 25-30%. With over 10 million weddings celebrated each year, the sector is rapidly expanding beyond metro cities, opening vast horizons for aspiring professionals who possess a keen eye for detail and fresh perspectives. As the global demand for creativity and meticulous planning rises, this thriving space requires a new standard of expertise.

In this high-stakes world, you can't just be a planner or a designer; to lead in 2026, you must be the Remix—the all-rounder who brings rhythm, logic, and soul to the global stage.

TWS - The Wedding School located in Mumbai, is a premier institute dedicated to training and mentoring aspiring professionals in the booming wedding industry.

Our curriculum is built upon **five pillars** that define the modern wedding professional, starting with Heritage, where we honor the industry's roots while mastering the Artistry required to craft stunning experiences from ideation to execution. By fostering Innovation, we encourage fresh perspectives and creative disruption in an evolving market, while Enterprise empowers students through certified diploma courses in Wedding Planning and Management.

Finally, we instill Precision through technical mastery of industry-essential tools like Photoshop, AutoCAD, and SketchUp, transforming your passion into the expertise required to lead the global wedding stage.

Testimonials

“

The experience with TWS is a journey of self growth. Each and every session is so well designed that one gets to learn every aspect of wedding planning in detail. For anyone who is passionate about planning someone's big day, you'll have the best experts to guide you.

- Vani Sharma, Shimla

“

I'm grateful to TWS for the opportunity to be part of the design and decor course. I've learned so much and truly appreciate the time and effort of the mentors and team. The instructor's clear explanations and examples made the material easier to understand. Initially, I lacked confidence, but the teaching style and clarity helped me build it over time.

- Radhika Lokeshwar.N, Hyderabad

“

The journey with TWS has been fantastic, it has shown me a path to where I want to be and what I want to do ahead with my career. We've had amazing mentors who've guided us along the way and made friends for life. Gaining knowledge from experienced individuals who shares their real time experience is the best part.

- Vishal Vaishnav, Udaipur

“

As a newcomer to the wedding industry from India, The Wedding School has been a game-changer. It boosted my knowledge, confidence, and hands-on experience. Learning from top mentors and working on practical assignments gave me invaluable insights into real-world wedding planning.

- Ananmika Das- Guwahati

“

I'm proud to be a student at TWS. The knowledge and exposure I've gained have helped me stay ahead in this dynamic industry. I've had the opportunity to learn from the best, and the supportive faculty has been there whenever needed. For anyone entering the industry, TWS is the perfect choice to gain a competitive edge.
